

SCHOOL NEWS - 27 January

Value of the month: Forgiveness

Achievements

Learners of the week:

Barn Owls: Harriet for showing care and compassion towards her peers.

Owls: Adeline for excellent discussion in storytime

Kestrels: Jayden for amazing effort and progress in maths

Hawks: Daniel for improved focus throughout the week.

Eagles: Harry for his pattern spotting in maths.

Other achievements:

So many talents here at Hazelbury Bryan Primary School, please share any celebrations with us each Friday

Race for Life

Cancer is happening right now, which is why a group of staff members are taking part in a Race for Life to raise money and save lives. Staff will complete (hopefully) a 5k Mud Run on 3rd June in support of this charity.

Every single pound donated makes a difference to Cancer Research UK's groundbreaking work. Any support is greatly appreciated.

British Science Week (10th -19th March)

British Science Week is approaching. The theme this year is, 'Connections'.

We hope to celebrate the week in school with some exciting science sessions that help the children to see the important role Science plays in our lives. If you have a job or a hobby that is related to science that you would like to come and tell the children about please let us know. We would be very interested to hear from you.

Mental Health Week beginning 6th February

We will launch this week with an assembly on Monday and take part in activities throughout the week to raise awareness of the importance of mental health and wellbeing. On Friday 10 February we will conclude this important week by holding a, 'Wear a Rainbow Day'. Children are encouraged to come to school wearing an array of different colours to brighten their day.

Attendance

Please work with us to ensure your child is in school every day. Poor attendance affects life chances. You could also be liable for a fine if your child is persistently absent. Come and talk to us if you need support with attendance.
