### **Attendance and Punctuality**

As we are almost halfway through the first half term, thank you very much for all your efforts to make sure your children are at school on time every day. Attending school for the whole day as often as possible really does have a huge impact on your child and their future, it would be great to keep this going all year!

### Daily Mile and Arrivals

It has been lovely to see the children embracing the daily mile once again and taking part in this in the mornings.

This will continue every day from 8.30am for those who wish to complete it.

The Reception children have settled really well into school and are doing brilliantly. Upon arrival they will once more be paired with an older child and be able to go down to class straight away if they wish to.

After further discussion, staff feel the current arrival procedures are the most practical in the morning. Please do share your concerns with Simon Hoare, our local MP, in support of safer parking around our school: [simon.hoare.mp@parliament.uk](mailto:simon.hoare.mp@parliament.uk)

### Thank You

A huge thank you to our local parish councillors, Ivana and Liz, who spent time in the pouring rain last week cutting back the hedge opposite the school playground to reveal the road signs which had become hidden. Due to the access and parking limitations at the school, we had requested that the hedge be maintained but nothing had been done so when we mentioned this to the local parish council they sprung into action. We are grateful to them for their actions and very thankful as hopefully this will encourage people to slow down and be courteous at the busier times.

### Harvest Festival Service and Collection

The Harvest Festival will take place on Friday 6th October at 2.15pm in the church. As per last year, we will be collecting items for the Vale Pantry. They have this year requested the following items:

Children's cereals

Tins of Baked Beans/hot dog sausages

Tomato ketchup

Tins of fruit

Biscuits,

Teabags or coffee

Any laundry products

But they are grateful for anything at all which anyone can spare.

All parents are welcome to join us at church for the service.

### Flu Immunisation Reminder

Please remember to go online and register your child for their Flu immunisation by the 28th September.

If this is not completed by then they will not be eligible to have the immunisation in school.

If you need any further information please contact Mrs Stanley in the office.

## Rotary Shoebox Scheme

Thank you so much to everyone who has expressed interest in helping us to help the Rotary in this cause, if you would like more information please see Mrs Ings.

Once again, the Wessex Rotary will be running their shoebox appeal for disadvantaged and displaced children in Eastern Europe. Please follow the link below for more details on how this truly amazing scheme works and the joy it brings to children who have had a difficult start in life.

<https://www.rotaryshoebox.org/>

As a school we have some of the boxes available (or you can simply use a shoebox which you have at home already), the lists of items are on the link or ask for a paper copy. If we could ask that these are returned to school by the 31st October at the latest that would be brilliant, thank you.
