

SCHOOL NEWS - 12th May 2023

Value of the month - Sharing

New signage

Over the weekend, we added new signage around our school. Who can find all 4 new signs? We hope you like them as much as we do.

New Field Play Equipment

We are excited to be having new play equipment installed on our field, designed by our School Council. Thank you to Mrs Ings for her support in the organisation of this.

Walk to school week

Monday 22 May - Friday 26 May is "Walk To School Week," and to promote positive mental health, physical health and wellbeing we will be running a walking bus from Alec's Field to school each day. We want the children to understand how important walking it is for our bodies, our minds and the environment. Children will explore five values throughout the week, one each day:

- * Walk for inclusion
- * Walk for sustainability
- * Walk for health
- * Walk for mindfulness
- * Walk for friendship

Children are invited to meet at Alec's Field from 8:10am and we will leave at 8:15am prompt each day. We will then walk the children across the fields to school. A change of shoes will be needed.

Throughout the week, children will collect tokens each day that they participate in our walking bus. If your child is unable to join us but has achieved some walking, such as walking with a parent/walking half of the way or going on a walk before or after school and this can be communicated to their teacher, by their parent/carer, they will be able to join in with collecting the tokens. Who can collect all 5?

We hope your child/ren can join us on a great start to each day. Some staff will remain in school for anyone not able to participate, they should arrive at their usual time. If any parents are able to support us on the walk please do let the office know at your earliest convenience.

<p style="text-align: center;">Quad Kids</p> <p>This week a team of Hawks attended an athletics Quad Kids event at William Barnes Primary School. They had to take part in a sprint race, long distance race, standing long jump and a throwing event. Overall, Team Hazelbury came an amazing 2nd place overall. A huge well done to Amelia, Tallulah, Tabitha, Cianna, Henry, Daniel, Oliver and Jai! You were all a credit to the school demonstrating wonderful behaviour and great teamsmanship.</p>	<p style="text-align: center;">SATs</p> <p>Our Year 6 children have now completed their SATs. They have worked so hard towards these attainment tests and have been a true reminder of our values of Courage and Resilience. I am so proud of you all. A special thank you to our staff and governors for supporting the children through these tests. Also a special mention to Mr Williams and Mrs Prop for taking the children on a run. They had lots of fun.</p>
