#### **Pot of Gold and Credit Zone winners:**

A massive well done and congratulations to:

Keep up the hard work!

#### **Other achievements:**

Well done to Mr Williams, Miss Allen, Mrs Ings, Mrs Sedgbeer and Mrs Odhams for receiving their Lifeguard qualifications.

So many talents here at Hazelbury Bryan Primary School, please share any celebrations with us each Friday

### **Ofsted**

Thank you for all of your kindness, treats and messages of luck this week, they were really appreciated during a two day full Ofsted inspection. Thank you also for engaging with this inspection. We had an exceptional number of positive comments on the Parent View survey. Thank you to our committed governors for their on-going support, a special mention to Mr Muir and Mrs Reed for the lovely food sent over to keep us fueled. The children were all a credit to you and represented the school very well indeed. Mr Simons and Mr Murray were very supportive inspectors and had a lot of positive things to say about the school. Our grading will be shared once the report has been drafted and quality assurance checks have been completed. A huge well done to our fantastic team who worked tirelessly with two days of challenge and interrogation, to really showcase our school, our wonderful children and the wider package that we offer here at Hazelbury Bryan Primary School. I was very proud to be the headteacher of our school during this inspection, as I am every day!

Please note that our breakfast club opens at 7.30am each day. Breakfast is served until **8.15am** as we then prepare to tidy up and take the children outside for a play before lessons start.

### Late collection

From next week, we will be asking parents to collect their children from the main entrance if you are running late. We will only stay on the playground until 3.20pm. This will enable us to secure the school site and begin our end of day procedures more effectively. We understand that sometimes there are circumstances out of your control but we are having an increasing number of late collections after school.

### An Exciting Opportunity to Join our Thriving Governing Body

We are currently looking for a Co-opted governor to join our governing body and would love to attract individuals from our local community who have the skills and experience to contribute to the success of our school. You do not need to be a parent to become a co-opted governor.

This is a challenging but hugely rewarding role, where you can make a real difference to young people, give something back to your local community and use and develop your skills in a nurturing unique level environment.

We would especially like to hear from you if you have:

- A desire to contribute to and represent our community
- An open and enquiring mind
- The ability to look at issues objectively
- The confidence to ask questions and join in debate
- A willingness to listen and make informed judgements
- The ability to work well with others
- Willingness to dedicate your time

As a growing school, we're keen to appoint individuals with experience in HR, finance, data analysis, safeguarding, SEND and Health & Safety to add to the existing range of skills on the board. The full governing body meets at least twice a term, with separate working parties who meet when required. Most of our current governors work full time and manage to fit in their role around their other commitments, but we welcome retirees, part time workers or anyone with the skills and passion for the job.

You don't need to have prior experience of being a governor, there is plenty of excellent training and mentoring available to you. Plus, the support of a talented and supportive team to work with who are passionate about helping Hazelbury Bryan Primary School deliver the best education possible for every pupil.

If you would like to know more about the vacancy, please email [office@hazelbury.dorset.sch.uk](mailto:office@hazelbury.dorset.sch.uk) or speak to Andy Muir, our Chair of Governors.

### Athletics

Yesterday, lots of children in Hawks and Eagles took part in our pyramid cross country tournament at Sturminster Newton High School. They took part in a selection of track and field events including throwing, long jump, sprints, long distance runs and relays. Everyone who took part represented our school very well and showed great determination and sportsmanship, cheering each other on in each event. It was a lovely atmosphere and we are so proud of you all. Thank you to parents and carers for continuing to support these events for our children.
