Well done everyone, you are all amazing!

COVID

Thank you for your understanding this week. Unfortunately, we have had an outbreak of COVID and staff have been working very hard to support the children and keep the school open. Please remember that if you have been a contact you should get a PCR test. If you are asymptomatic you are not required to isolate whilst you await the result. If you are displaying a symptom of COVID then you should remain home whilst awaiting the result. Please stick to social distancing around school.

Phonics Workshop 30th September 3pm

We would like to invite Reception parents into school to meet with Mrs Ings and explore how we teach phonics. We will be sharing ideas and resources in order for you to be able to support this vital learning at home. Please come and join us. Your child/ren will be looked after by school staff until the workshop is over,

Harvest Donations

1,349 adults and children have sought help so far this year. Donations from Harvest Festival Services have a huge impact on the ability to offer support - every packet and tin makes a difference to those who are vulnerable in our community
Donations greatly appreciated by 4th October.

Governor Vacancy

Are you enthusiastic? Are you passionate about education? Do you have time to spare? We are looking for a committed person to join our board of governors as a parent governor. If you are interested, please email the school office by 1st October.

Attendance Workshop

Please come and join us for a question and answer session regarding attendance, our procedures and obligations on Monday 18th October at 2.30pm. If you cannot attend the workshop and would like to have an informal chat regarding attendance and our procedures, I am more than happy for you to get in touch. Many thanks Mrs Waring
