

SCHOOL NEWS - 4th February 2022

Value of the month: Respect

Cleaner available

If you are interested in a cleaner for your home, one of our parents is available for a couple of hours a week. Please let us know and we will pass your details on.

Recycled uniform

We are hoping to start a recycling uniform scheme. Our intention is that any unwanted items of uniform are dropped off at school, washed and ready to go. We will organise the items into size and product type. At various times throughout the year we will hold a morning and afternoon session where the items will be displayed in the hall ready to be purchased (at a very low cost). If you have any unwanted items of uniform please donate them to school at your convenience throughout the year.

After School Clubs

We will be resuming our extracurricular clubs after half term. Surveys will be live on School Spider from 12 Feb at 9am. Please only respond if you would like your child to attend a club. They will close on 16 Feb at 4pm in order for us to start the clubs week beginning 28 Feb (with the exception of Block Club, which will start on 7 March). All clubs will finish at 4pm. Please collect your child on time from the main playground. If you are late your child will go to the After School club and you will be charged.

Kitz UK Sherborne School Uniform Provider

We are continuing to look into additional clothing suppliers and have started a partnership with Kitz in Sherborne. You will be able to visit the store and order/collect items in person as well as ordering online. If you are eligible for support with your child's uniform, you will be provided with a voucher to use throughout the year on your preferred items. Further details to follow.

Mental Health week 7 - 14th February

Wear your SCARF to school on Monday 7th February to support Mental Health week. You are invited into school for an e-safety assembly on 8 February at 2.30pm. Please wear a mask and apply hygiene gel upon arrival. The theme for this year is, 'All fun and games? Exploring respect and relationships online'. Online safety and mental health are closely related. The children will take part in many tasks throughout the week to support mental health and well-being, including a 'worries' snowball fight, yoga and a whole school story writing task.
