

## SCHOOL NEWS - 11th February 2022

### Value of the month: Respect

#### Tissues

We are running low on tissues throughout the school. If you are able to donate a box or two it would be very much appreciated. Please send them to school with your child for their classroom.

#### Contact Information

It is imperative that the school holds your correct phone, email and address in case of an emergency. If you have changed any of these please let the office know.

#### Midday supervisor position

If you are interested in any short term cover to fulfil the position of a midday supervisor please contact the school office. You must have experience of working in a kitchen and at least a certificate in food hygiene. Hazelbury Bryan Primary School is committed to safeguarding, to promoting the welfare of children and adhering to the Equality Act 2010. The successful candidate will be required to undertake an enhanced Disclosure and Barring Service check. To comply with the Asylum and Immigration Act 1996 all prospective employees will be required to supply evidence of eligibility to work in the UK.

#### Bag2School Collection - Thursday 3 March

Our next Bag2School collection has been arranged for Thursday 3 March. By getting involved in our collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles - this can include adults' and children's clothes, shoes (tied together please), hats, belts, handbags and soft toys, (please refer to <http://uk.bag2school.com/> for full details). Don't forget to ask grandparents, friends and neighbours to have a sort out as well! You are welcome to drop any bags into school from 28th February, to enable you to have a sort out over half term. Please ensure all bags are with us by 9am on the 3rd March. The last collection we raised over £100 and would love to do the same again. The money raised will go towards new sporting equipment for the children.

#### Car Park application

We are currently working with the council, highways, our local council and an architect to ascertain the best solution to road safety around our school. A car park is a very complicated application due to wanting to keep the beauty of the fields, whilst providing safety for our families. If you have any concerns or would like to express your views on the parking situation around school please contact: Simon Hoare MP  
Member of Parliament for North Dorset  
[simon.hoare.mp@parliament.uk](mailto:simon.hoare.mp@parliament.uk)  
This will hopefully support our application.

#### Building work

As previously mentioned, we were awarded a large grant with Dorset Council in response to a decarbonisation scheme. Work will commence on February 14 and will continue until 28th March. Within this time, you will see scaffolding and a welfare site for the workforce. We have worked closely to ensure the least disruption to the school and children. Please bare with us while we get a new air source heat pump for the pool, LED lighting, Solar Panels and an upgrade to our electrics and wireless system. All at no cost to us and better for the environment - how could we resist!

### Masks

Thank you for your support in continuing to wear masks on the playground and within school. Please note that some of our parents are exempt from wearing masks and have made this known to us

### Baby Owls Toddler group

A brand new group will be running from Friday 4th March, 9am until 11am. All are welcome. Come for a cup of tea, coffee, biscuit (you may even get cake), more importantly come for a natter whilst the children play and develop their skills with one another.

### Hawks Lighthouse Trip

Hawks had a fantastic trip on Wednesday and came back full of excitement and new knowledge. As expected, the children were well behaved and a credit to the school and their parents. Thank you to our wonderful staff: Miss Allen, Mrs Carr, Mrs Green and Mrs Wesley and an extra special thank you to our volunteers Miss Patterson and Mrs Prop. Without you all the trip would not have been possible.

### e-safety

It was lovely to see you at our e-safety assembly on Tuesday, thank you to those that could make it.

A game has been brought to our attention, details are found here:

Huggy Wuggy is a character from a computer game Poppy Playtime, which is a horror/survival game available on Steam, Poppy Playtime chapter 2 has been released 2022. There does not seem to be an age rating for Poppy Playtime and there are multiple copycat versions available for young people to download on Roblox and other app stores.

On YouTube there are lots of videos of game play of Poppy Playtime and the Huggy Muggy song - who sings about hugging you until you pop.

It is unsuitable for young children, videos of poppy playtime game play are NOT filtered out by Google safe search or YouTube restrictions and some game play videos are available on YouTube kids.
