

SCHOOL NEWS - 23rd September 2022

Value of the month:

Compassion

School Council

We are delighted to announce our new School Councillors for this year:

Owls: Harriet

Kestrels: Jaxson and Daniel

Hawks: Freddie and Richard

Eagles: Amelia and Tom

All children were super brave and shared with their class why they would like to be a councillor. We then anonymously voted and shared the wonderful news in assembly this afternoon. Well done to all children who showed Courage, Compassion, Responsibility and Resilience during this task. The School Council will be led by Mrs Ings. The children will meet at least once every half term to share their ideas on school matters and help to make decisions for our whole school community.

Parents' meetings for Kestrels, Hawks and Eagles

You will notice dates below where you are invited in to have an informal chat with your child's class teacher.

This is an opportunity to meet the teachers if you do not already know them. We will meet as a group in the hall and share some information regarding your child's time in their new year group, for example, routines, timetable, curriculum and any statutory tests that take place for them.

Photograph Permission

When your child starts school in Reception, we gain all permissions and medical conditions needed to ensure a safe journey at school. Due to many of these permissions changing in recent years, we wish to collect your permission to take photographs of your child again.

Please note that photographs taken are only used within school to celebrate or share successes and experiences. These are most often used on display boards within school. All platforms used within school, such as School Spider and Google Classroom, have a high level of security and permissions to ensure adequate safety. Please complete the very short survey in School Spider to enable us to organise our years ahead. We are awaiting 26 responses. Thank you.
